End Application:

1055-01-450-4243 multiple launch rocket system (mlrs)

Product Name:

Angular bearing

Special Features:

0.25 inch thick, 0.25 inch wide, ; angular contact single bearing; standard circular pocket formed ring seperator; 0.125 inch balls, type a, precision class 1

Material:

Steel comp e52100

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A044a0
