**End Application:**

1055-01-450-4243 multiple launch rocket system (mlrs)

**Product Name:**

Angular bearing

**Special Features:**

0.25 inch thick, 0.25 inch wide, ; angular contact single bearing; standard circular pocket formed ring seperator; 0.125 inch balls, type a, precision class 1

**Material:**

Steel comp e52100

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A044a0
