Rolling Element Diameter:

1.0000 inches

Material:

Steel comp e52100 or steel comp e51100

Material Specification:

Ams6449 assn standard single material response or ams6440 assn standard single material response

Style Designator:

Ball

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A044a0
