**Rolling Element Diameter:**

1.0000 inches

**Material:**

Steel comp e52100 or steel comp e51100

**Material Specification:**

Ams6449 assn standard single material response or ams6440 assn standard single material response

**Style Designator:**

Ball

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A044a0
