Rolling Element Diameter:
1.0000 inches
Material:
Steel comp e52100 or steel comp e51100
Material Specification:
Ams6449 assn standard single material response or ams6440 assn standard single material response
Style Designator:
Ball
Shelf Life:
N/a
Unit Of Measure:

Demilitarization:
No
Fiig:
A044a0
