End Application:

Hydraulic brake repair kit; anchor windless s/n 14186

Component Quantity:

4

Component Document Origin:

Industrial

Document Type:

Material list

Special Features:

Kit includes (1) case gasket (1) oil seal (1) bearing (1) tube of loctite

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A23800
