Overall Height:

0.8130 inches

Overall Outside Diameter:

3.3440 inches

Bore Smallest Diameter:

2.0000 inches

Largest Bore Diameter:

2.0310 inches

Surface Finish:

Ground

Alignment Type:

Rigid

Thrust Directional Capability Designation:

Single

Features Provided:

Mounting groove

Product Name:

Bearing plate thrust set assembly

Special Features:

Assy of part number 200224164 and 200224163

Material:

Steel

Style Designator:

Grooved race surface, banded od

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A044a0
