End Application:

C5 aircraft

Bore Shape:

Straight

Internal Clearance:

0.0002 inches radial and 0.0007 inches radial

Product Name:

Bearing, ball

Special Features:

Bearing to be suitable for operation mil-h-5606 fluid at 275 degrees f

Style Designator:

Non-separable

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A044a0
