Cylindrical Roller Bearing - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/3110-01-578-0158

End Application:
Navair 01-75 pac
Bore Shape:
Straight
Product Name:
Roller
Special Features:
Wing flap control lever
Style Designator:
Cylindrical two lip inner ring w/centered roller guide, cylindrical outer ring separable
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A044a0
