**Lubrication Material:**

Oil

**Alignment Type:**

Rigid

**Features Provided:**

Lubrication hole

**Product Name:**

Bearing

**Special Features:**

Bearing to be coated with rust prevention film by manufactures

**Material:**

Steel

**Style Designator:**

Needle roller trunnion

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A044a0
