Overall Outside Diameter:

0.375 inches

Special Features:

Grade 1100/ yield strength 275, 000 psi

Material:

Steel comp 440c ball

Specification Data:

Ms5630, astm a276, astm a756 professional/industrial association specification

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A044a0
