End Application:

3010-01-632-5117

Product Name:

Ring, bearing

Material:

Stainless steel

Material Specification:

Sae ams 5643r, cd h1150 assn standard single material response

Fsc Application Data:

Used in the actuator, jet blast, deflector

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A044a0
