**End Application:**

3010-01-632-5117

**Product Name:**

Ring, bearing

**Material:**

Stainless steel

**Material Specification:**

Sae ams 5643r, cd h1150 assn standard single material response

**Fsc Application Data:**

Used in the actuator, jet blast, deflector

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A044a0
