End Application:

F111a/b; f15a; 4fe; e3a aircraft linear actuator assembly r144m39

Product Name:

Bushing

Special Features:

0.5in l x 0.25in dia

Functional Description:

Used to check the end play of the motor shaft. Used to adapt the motor shaft of the feel trim actuator motor brake to the indicator assembly

Reference Data And Literature:

Serd no. 0810; to 8d1-8-201-4

Style Designator:

Split, plain, no outside flanges

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A045a0
