Hardness Rating:

26.0 rockwell c and 32.0 rockwell c

Surface Finish:

130.0 microinches

Special Features:

30 teeth, 7.8591 pitch dia

Material:

Steel comp 8740

Material Specification:

Ams 6322 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A045a0
