Hardness Rating:

30.0 rockwell c outer race member and 36.0 rockwell c outer race member

Material:

Steel comp 630 outer race member

Material Specification:

Qq-s-763, class 440c federal specification single material response inner member

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A045a0
