Body Outside Diameter:

1.00 inches

Body Inside Diameter:

0.812 inches

Product Name:

Bushing

Special Features:

Tag per mil-std-130, 19207-12356025

Material:

Plastic acetal

Special Test Features:

Acetal molding material grade pom 111 or pom 131, specification astm d4181

Style Designator:

Solid, plain, no outside flanges, interior flang (s) not located at either end

Specification Data:

96906-dod-std-100 government standard

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A045a0
