Flange Outside Diameter:

1.2500 inches

Flange Width:

0.0900 inches

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-225/9, t6 federal specification all material responses

Surface Treatment:

Anodize

Surface Treatment Specification:

28652e+3238 mfr ref all treatment responses

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A045a0
