**Material:**

Copper alloy 630 or copper alloy 642 or copper alloy 954 or copper alloy 932 or copper alloy 632

**Material Specification:**

Qq-c-465 federal specification 1st material response or qq-c-465 federal specification 2nd material response or qq-c-390, type 2 federal specification 3rd material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A045a0
