Material:

Copper alloy 630 or copper alloy 642 or copper alloy 954 or copper alloy 932 or copper alloy 632

Material Specification:

Qq-c-465 federal specification 1st material response or qq-c-465 federal specification 2nd material response or qq-c-390, type 2 federal specification 3rd material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A045a0
