End Application:

Diaphragm control valve actuator, leslie co., size 55 and 55r

Material:

Steel comp 410

Material Specification:

Aisi assn standard single material response

Style Designator:

17c-1 solid, plain, no outside flanges, internal flange one end

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A045a0
