**Criticality Code Justification:**

Zzzy

**Special Features:**

Roller diameter: 1.477, height: 0.687

**Material:**

Stainless steel

**Reference Number Differentiating Characteristics:**

Material will be in accordance with ships parts control center activity hx quality control, manufacturing and testing specifications

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A045a0
