**Special Features:**

Thickness 0.188 inches and outside diameter is 3 5/8"

**Material:**

Copper alloy 482

**Material Specification:**

Qq-b-639agavgwpm elev lowr stg5 hatch assembly & det federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A045a0
