Overall Diameter:

43.0000 inches

End Application:

Aircraft carrier cvn 70, stern tube & strut bearings

Product Name:

Half bushing, top

Special Features:

8 threaded holes; 1.25", 18 drill holes; 1.1875"

Material:

Copper alloy

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23900
