End Application:

Los angeles class ss (688) ; rotary hydraulic actuator model 265l

Product Name:

Bearing-pinion

Material:

Copper alloy 903 or copper alloy 932

Material Specification:

Qq-c-390; alloy c90300 or c93200 federal specification all material responses

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A045a0
