**End Application:**

F-22 raptor

**Product Name:**

Thrust washer for thrust bearings

**Special Features:**

Matching assembly designation ntc-1427; piloting shaft dimension 0.875 inches ; shaft diameter to clear washer o.D. 1.719 inches

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A045a0
