**End Application:**

Rotary hydraulic actuator, model 80120asl assembly

**Product Name:**

Bearing - pinion

**Material:**

Copper alloy uns c63200

**Material Specification:**

Astm b150, alloy c63200 assn standard single material response

**Style Designator:**

22e blank, external flange one end

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A045a0
