End Application:

Rotary hydraulic actuator, model 80120asl assembly

Product Name:

Bearing - pinion

Material:

Copper alloy uns c63200

Material Specification:

Astm b150, aloy c63200 assn standard single material response

Style Designator:

22e blank, external flange one end

Shelf Life:

N/a

Unit Of Measure:

Demilitarization:

No

Fiig:

A045a0
