**End Application:**

1520-01-088-3669; helicopter, cargo-transport

**Product Name:**

Bushing-flanged, press fit steel, cres, bronze & copper

**Material:**

Copper alloy 630 or copper alloy 642

**Material Specification:**

Astm b150.Astm b150qq-b-679; or ams4640 assn standard all material responses

**Surface Treatment:**

Cadmium

**Surface Treatment Specification:**

Ams qq-p-416, type ii0.Ams qq-p-416, type ii0class 2 assn standard single treatment response

**Style Designator:**

22c solid, external flange one end

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A045a0
