End Application:

Transport aircraft cn-235-10 nurtanio

Product Name:

Bearing rod end

Special Features:

2the part is used in 5 next higher assemblies 88420063-1, 88420069-1, 88420069-2, 88520063-1 and 88520063-2; the next higher assembly is housing assembly, lower positions; the part number 88390033-2 description is a bearing, rod end, left hand

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A045a0
