**End Application:**

C-17a aircraft

**Product Name:**

Bushing, sleeve - slip fit, flanged

**Special Features:**

Plain bushing, no lubrication groove and no holes; length last 3 digits of p/n (1st digit=whole number; last 2 digits=fractional length in 64th inch increments)

**Material Specification:**

Ams5643, type 17-4 ph assn standard single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A045a0
