End Application:

C-17a aircraft

Product Name:

Bushing, sleeve - slip fit, flanged

Special Features:

Plain bushing, no lubrication groove and no holes; length last 3 digits of p/n (1st digit=whole number; last 2 digits=fractional length in 64th inch increments)

Material Specification:

Ams5643, type 17-4 ph assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A045a0
