End Application:

1520-01-106-9519 helicopter, attack

Product Name:

Bushing-pitch housing, main rotor

Material Specification:

17-4ph cres per ams5643 heat treat to conditionh1025 rc35-42. Per h+1-17 national specification all material responses body

Surface Treatment Specification:

Finish no 34 per epb4-230 except plating thkns to be cl 3 (.00020-.00040) national specification all treatment responses

Supplementary Features:

To be used for repairs only

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A045a0
