Hole Diameter:

0.8870 inches sixth and 0.8890 inches sixth

Material:

Aluminum alloy 7075

Material Specification:

Mil a-12545 military specification single material response

Surface Treatment:

Aluminum alloy

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A045a0

Mil-std (military Standard):

spec.
