End Application:

Hp accumulator

Product Name:

Guide sleeve

Special Features:

law cds pc-14155-gr1 rev d, used on modified 6" pressure seal gate valve

Material:

Steel

Material Specification:

Astm a36 assn standard single material response

Style Designator:

22e blank, external flange one end

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A045a0
