End Application:

B-52 acft

Product Name:

Bushing

Special Features:

Finish f-1.194; 3.00 dia; cres bar per ams-s-7720 annealed, cold rolled. Stock size .5; used on strut attachment pin, wheel well door; nhd 35-19783

Material:

Steel comp 302

Material Specification:

Ams-s-7720 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A045a0
