End Application:

Damper, ventilation, mdl-100, 20x12 inch rh304s 1/8 inch

Product Name:

Oilite bushing

Special Features:

Oilite bronze bushing

Material:

Copper alloy

Style Designator:

17c-3 solid, plain, no outside flanges, internal flange at both ends

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A045a0
