End Application:

Aint kit rad

Hardness Rating:

47.0 rockwell c

Product Name:

Bearing cam

Special Features:

Material; seal astm-d-4181 pom 111, outer race: cres per ams5617, inner race cres per ams 5643

Material:

Steel race insert

Material Specification:

Ams5617 assn standard all material responses body

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A045a0
