**Body Outside Diameter:**

2.0472 inches

**End Application:**

Ay, motor oper

**Product Name:**

1-hp brake motor gear operator

**Special Features:**

; mounting - shaft; subricant - per dod c-245

**Material:**

Steel

**Style Designator:**

17c-1 solid, plain, no outside flanges, internal flange one end

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A045a0
