Body Outside Diameter:

2.0472 inches

End Application:

Ay, motor oper

Product Name:

1-hp brake motor gear operator

Special Features:

; mounting - shaft; subricant - per dod c-245

Material:

Steel

Style Designator:

17c-1 solid, plain, no outside flanges, internal flange one end

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A045a0
