Overall Length:

0.3880 inches

Body Inside Diameter:

0.3750 inches

Spherical Body Diameter:

0.7830 inches

Product Name:

Bearing, narrow ring, self lub liner, sealed, clamped instl

Special Features:

Grooved ring

Material:

Stainless steel

Surface Treatment:

Cadmium or zinc and nickel inner member

Style Designator:

Solid

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A045a0
