Overall Length:

0.3880 inches

Body Inside Diameter:

0.3750 inches

Spherical Body Diameter:

0.8950 inches

Product Name:

Bearing, spherical, narrow ring, self lube liner, sealed

Special Features:

Grooved ring, oversized 0.7850"

Material:

Stainless steel

Surface Treatment:

Cadmium inner member

Style Designator:

Solid

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A045a0
