Mounting Hole Diameter:

0.2810 inches

Bore Diameter:

Between 3.3460 inches and 3.3467 inches

Mounting Hole Type:

Round, unthreaded

Material:

Steel comp e9310

Material Specification:

Ams 6260 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A093a0
