Bore Diameter:

Between 0.3750 inches and 0.3752 inches

Lubrication Material:

Oil lubricating

Lubrication Material Specification:

Mil-0-6085 military specification single material response

Material:

Steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A093a0

Mil-std (military Standard):

Mil-0-6085 spec.
