Mounting Hole Diameter:

0.1640 inches

Bore Diameter:

Between 0.7200 inches and 0.7400 inches

Shaft End Type:

Open

Mounting Hole Type:

Round, unthreaded

Material:

Steel comp e9310

Material Specification:

Ams 6260 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A093a0
