**Rolling Element Groove Quantity:**

1

**Assemblylength:**

0.6000 inches

**Shaft End Type:**

Open

**Features Provided:**

Ground rolling element groove

**Material:**

Steel seal

**Material Specification:**

Qq-a-225/9, t6 federal specification single material response housing

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A093a0
