Mounting Hole Diameter:

Between 0.1150 inches and 0.1200 inches

Bore Diameter:

Between 1.1150 inches and 1.1200 inches

Housing Height:

Between 1.7200 inches and 1.7400 inches

Shaft End Type:

Open

Mounting Hole Type:

Round, unthreaded

Material:

Steel comp 347

Material Specification:

Qq-s-763 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A093a0
