Flange Thickness:

0.0500 inches

Bore Diameter:

Between 0.5001 inches and 0.5004 inches

Housing Diameter:

2.2500 inches

Housing Length:

0.4770 inches

Criticality Code Justification:

Abxv

Special Features:

2 holes equally spaced on 1.100 in. Diameter bsc, holes 2-56 unc 2b to 0.125 in. Min depth from opposite side

Material:

Steel comp 303

Material Specification:

Qq-s-764, cond a federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A093a0
