Counterbore Diameter:

1.0625 inches

Mounting Hole Diameter:

0.5675 inches

Bore Diameter:

Between 1.0060 inches and 1.0080 inches

Mounting Hole Type:

Round, unthreaded, counterbored

Material:

Copper alloy 903

Material Specification:

Qq-c-390 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A093a0
