Mounting Hole Diameter:

0.500 inches

Bore Diameter:

2.2700 inches

Housing Height:

Between 6.136 inches and 6.224 inches

Shaft End Type:

Open

Mounting Hole Type:

Round, unthreaded

Material:

Steel comp 630

Material Specification:

Ams 5343 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A093a0
